

ABERDEEN REPORT : FP AGM : 2019

This year's annual dinner was held on Friday 18 January at the Royal Northern and University Club in Aberdeen with around 40 attending, this number being made up, predominantly, by guests. Our principal speaker was the eminent forensic pathologist, Emeritus Professor James Grieve with Charles Wilson replying on behalf of the Club. Alistair Seale proposed the toast to the guests with Dr. Walter Stephen (Gordonians) replying on behalf of the guests. The toast to the Chair was proposed by Mike Wheeler.

Sadly, one of our members, Ian Girdwood, (a Stewarts FP) passed away around mid July at the age of 83.

On Thursday 16 May I had the privilege of representing the parent Club at a special lunch held, at the RNUC, to mark the first public performance of a pipe tune written in honour of John Cruickshank VC
